PROTECTIVE FACE SHIELD WITH SOFT ELASTICATED STRAP

Lightweight face shield

Lightweight face shield with an anti-fog coating protects the face and eyes from splashing or spraying of infectious or hazardous substances. The disposable face shields are manufactured from optically clear polypropylene for maximum visibility, whilst the soft elastic strap and PU foam headband provide additional, long-term comfort and durability.

The product can be worn with or without additional face protection, such as prescription or protective eyewear and face masks.

Specifications

Code	PRO-3021
